Quit

Made by Braden Harrelson

This screenshot shows the 'Welcome to FastPass!' window. It has a title bar 'FastPass Client' with standard window controls. The main content area is dark gray. At the top, it says 'Welcome to FastPass!' in a large, bold, white font. Below that, it asks 'Which would you like to do?' in a smaller white font. There are three white buttons stacked vertically: 'Check a Password', 'Generate a Password', and 'Quit'. At the bottom, it says 'Made by Braden Harrelson' in a small white font.

This screenshot shows the 'Set Password Specifications' window. It has a title bar 'FastPass Client' with standard window controls. The main content area is dark gray. At the top, it says 'Set Password Specifications' in a large, bold, white font. Below that, there are several settings: 'Required length of password' with a value of '12', 'Number of uppercase letters' with '2', 'Number of lowercase letters' with '2', 'Number of digits' with '2', and 'Number of special characters' with '2'. There are three checkboxes, all of which are checked: 'Exclude dictionary words', 'Exclude your name', and 'Exclude your email'. Below these are four text input fields: 'First Name' (Braden), 'Last Name' (Harrelson), 'Email' (harrelson@gmail.com), and 'Password to Test' (ThisIsATest.123!). At the bottom, there are two white buttons: 'Check' and 'Finish'.

# Screenshots of UI

The screenshot shows a Windows application window titled "FastPass Client". The main content area is titled "Generate a Password" and contains several input fields and checkboxes. The input fields are for "Required length of password" (12), "Number of uppercase letters" (20), "Number of lowercase letters" (2), "Number of digits" (2), and "Number of special characters" (2). There are three checkboxes: "Exclude dictionary words", "Exclude your name", and "Exclude your email", all of which are checked. At the bottom of the window are two buttons: "Generate" and "Finish". An "Invalid Input" dialog box is open in the foreground, displaying a red "X" icon and the message "Please enter a valid number of uppercase letters." with an "OK" button.
